## What's Being On An Elite Cheer Team Like?:

Elite Cheer is our highest offering of competitive Cheer. Competition level cheer is intense and it takes extra commitment to compete at this level.

There is heavy emphasis on physical fitness, conditioning, strength, flexibility, proper nutrition, rest and time management.

This is for athletes who like a challenge and aren't afraid to work for it.

Elite Cheer requires a greater time commitment, required attendance, and a greater financial commitment than other levels of cheer that we offer. By joining this team you'll be making a commitment not only to Starstruck but also to the other athletes and families on the team.

We are lucky to have many generous families in our group that are willing to lend a hand to help kids get to practice or competitions, car pool, or find a way to figure it out. As we sometimes say "teamwork makes the dream work".

As the season progresses we typically have additional practices in the lead up to each competition event. This will continue into the post season competition environment.

We compete locally, travel to out of state competitions and attend post season National Competitions such as Summit, and US Finals .

Participation in fundraisers is highly encouraged for Elite team members. Starstruck participates in a number of fundraising opportunities that give families a chance to raise extra money to help pay for cheer and travel expenses. Fundraising benefits everyone! More info on that below.

# Athlete Conduct

ATHLETE CONDUCT, SOCIAL MEDIA , BRAND & LOGO POLICIES

\*Starstruck athletes are not allowed to participate in activities at other All Star Cheerleading Gyms.\*

## SOCIAL MEDIA:

Follow Us on ALL social media platforms ☺

At Starstruck we take pride in our gym and aim to hold ourselves and our athletes to a high standard and feel it's very important to represent yourself well on social media. We approach social media seriously and monitor how the Starstruck name, brand, logo, and likeness are used. We maintain the right to curate and request removal of items from social media sites and Apps that are deemed to be unsafe, inappropriate or in conflict with Starstruck's conduct standards

Anything that is aimed to bully, embarrass, or degrade any individual or group of individuals, including the use of profanity, and/or content that is overly provocative is unacceptable. Please remember anything you post online affects not only you, but also your teammates and Starstruck as a whole.

We want our athletes and families to wear Starstruck attire with pride in public and in social media posts to show support and to promote a positive public image. Avoid posting any negative comments on social media. When experiencing strong feelings there is a right way and a wrong way to resolve them. Generally speaking, taking those feelings to social media in the heat of the moment is not the solution and often creates more problems than it solves. If any issues should arise please schedule a meeting with Jill to discuss.

We request that Athletes at SAS avoid use of any accounts linked to an anonymous platform, don't use "burner accounts" to interact with SAS or SASathlete social media. We encourage students to use their real accounts to communicate with one another, and promotes more responsible online behaviors.

Should Starstruck request removal of, including but not limited to, photos, video, status, comment, etc removal must take place IMMEDIATELY. Repeated violations of conduct standards may be grounds for dismissal from Starstruck without refund. We greatly appreciate your cooperation in supporting our efforts to provide a level of reasonable supervision and decorum.

# Fundraising

---

## FUNDRAISING

All Elite Team Members are strongly encouraged to participate in fund raising activities. You can use your fundraising dollars to help pay for uniforms, tuition, post season competition, travel, apparel etc. It's a fun way to show off our teamwork while earning money to reach our cheerleading goals.

Each of the fundraises we utilize have been successful. We've been able to identify a variety of fundraising products from different vendors that resonate with people so we're not just offering one thing all year long. Many Starstruck students have repeat buyers they visit every year who continue to support our fundraising efforts.

Historically athletes who have participated in multiple fundraisers were able to fund a significant portion of their cheerleading expenses, particularly for post season competition. I've also learned parents are much less stressed and tend to enjoy their season a lot more.

We have a number of current fundraisers but are always looking for new opportunities and volunteer leadership.

Contact Jill if interested or have questions.
